

A FAMILY GROWS—JACOB’S FAMILY

Unit 4, Lesson 7

The Blessing of Family

God blesses us with the people of our family. God works through families to provide for our needs. Special family blessings God gives us are relatives who tell us of Jesus and His saving love.

Directions: On the note card below, write a short message of thanks to a family member or church “family” friend who has shared Jesus with you. In your note, remind the family member of what he or she has taught you. Tell this relative how the Holy Spirit has used this Good News to impact your life and your faith. Give your completed message to your relative. Thank God for him or her in your prayers.
